

# HELP CREATE MAGIC!

## VOLUNTEERS NEEDED IN APRIL 2017 FOR PUBLIC ART INSTALLATION

World-renowned artist Patrick Dougherty will build a phenomenal natural sculpture in the Orenco Woods Nature Park, and we need your help to make it happen!

Become part of the crew and dive into the process of bringing a Stickwork sculpture to life by harvesting and placing sticks to shape the artwork. See more of his work at [stickwork.net](http://stickwork.net).

Volunteer shifts will be scheduled daily from 8 am – noon or 1 pm – 5 pm from April 3 – 21. The sculpture is to be completed in three weeks' time.

**This project is best for strong, active volunteers ages 16 and up.**
