City permitting staff are available to provide more information and assistance.

Applicants for block parties shall provide either a petition or application signed by all residents within the area to be seriously impacted by any requested temporary street closure, amplified music, or any request which might have a significant impact on area residents. 3. No permitted activities may commence before 10 a.m. or continue past 11 p.m. on any day. No sound amplification will be permitted after 10 p.m.
4. No permitted activities may be conducted within 500 feet of any school, church, hospital, nursing home, or similar operation unless endorsed by the management of such institution.
5. Public rights-of-way will be cleaned and left free of litter and debris (this assurance to be provided by applicants).
