

## Explanation of Cemetery Maps

**Odd Fellows sections** – one lot contains five graves

**Masonic sections** – one lot contains 10 graves

**North Annex** – various numbers of graves per lot

**Numerical order of graves** – the graves are numbered 1 through 5 or 1 through 10 going from north to south (top to bottom – grave #1 is at north end and grave #5 is at south end)

**M** – appearing in the top right corner indicates there is a marker on that particular gravesite

**V** – appearing in the upper right corner indicates the deceased was a veteran\*

**ZZZZ** – indicates grave is apparently vacant

**Last name only** – indicates ownership of that grave space (If there is a first initial with a last name, there is a person buried in that space.)

**Unknown** or **Unknown [name]** – space is occupied

**\* Veterans:**
