**NOTE TO APPLICANT:** Section 104.11 of the Oregon Structural Specialty Code grants the Building Official the ability to consider alternatives to or modifications of the Code in unusual cases. Regulation of the construction provisions contained within the Fire Code are the responsibility of the Building Official as outlined in the Building/Fire Scope of Authority interpretation by the State of Oregon dated September 24, 2001. It is the policy of this Department that the use of these Sections of the Code be limited, and that individual cases be considered carefully within the context of the requirements of these provisions. Before proceeding with this application it is essential that you read and fully understand the Statement of Policy set forth in the Memorandum attached to this application.

A. Section 104.9: Alternate Materials and Methods:

1. Pursuant to Section 104.9 of the Oregon Fire Code, the undersigned Applicant hereby requests approval of an alternative to Section \_\_\_\_\_ of the Fire Code, which requires that (cite that portion of the Code from which the Applicant is seeking relief based upon the proposed alternative):

---

---

---

---

---

---

---

---

---

---

2. The undersigned Applicant proposes the following alternative to Section \_\_\_\_\_ of the Oregon Fire Code (provide a detailed description of your proposed alternative):

---

---

---

---

---

---

---

---

---

---

3. For the following reasons, Applicant believes that the proposed alternative to Section \_\_\_\_\_ of the Oregon Fire Code complies with the provisions of the Code, and that the material, method or work offered is, for the purpose intended, at least the equivalent of that prescribed in this Code in suitability, strength, effectiveness, fire resistance, durability, safety and sanitation.

B. Section 104.8: Modification (s):

1. Pursuant to Section 104.8 of the Oregon Fire Code, the undersigned Applicant requests approval of a modification to Section \_\_\_\_\_ of the Fire Code, which requires that (cite that portion of the Code from which the Applicant is seeking relief based on the proposed modification):

---

---

---

---

---

---

2. The undersigned Applicant states the following reason(s) why strict compliance with Section \_\_\_\_\_ of the Code is impractical or presents extreme difficulty (provide a detailed, specific statement of the reason for your request):

---

---

---

---

---

---

---

---

3. For the following reasons, Applicant believes that the proposed modification to Section \_\_\_\_\_ of the Oregon Fire Code meets the intent of the Code, and neither lessens any fire protection requirements of the Code nor compromises the structural integrity of the structure.

**APPLICANT’S AGREEMENT TO ABIDE BY CONDITIONS**

The undersigned expressly acknowledges and agrees that acceptance of this application and any subsequent issuance of a permit(s) based upon the proposed alternative(s) or modification(s), has been made subject to certain conditions which the Building Department, in its sole discretion, deems necessary. The undersigned agrees to comply strictly with all conditions imposed by the Building Department. With respect to all permit(s) issued based upon any alternative to or modification of the Oregon Fire Code, the undersigned’s failure to comply strictly with all conditions imposed by the Building Department in granting any permit(s) pursuant to this application will render any right to proceed with construction, occupancy or use of any property or premises pursuant to said permit VOID, and will subject the undersigned to immediate revocation of any permit(s) issued in connection with this application. The undersigned and all subsequent owners, occupants or users of these premises claiming any right of occupancy or use of the premises through the undersigned, shall be liable for all costs and expenses, including any reasonable Attorney’s Fees and Expert Witness Fees, for enforcement of any condition or term of any permit(s) issued to this application. The applicant understands that this approval is single use, sight specific for the application identified above.

The undersigned acknowledges that this agreement does not in any way limit any remedy or right the City may otherwise have with respect to enforcement of any of its Codes or Ordinances.

The undersigned acknowledges that any delay by the City with respect to enforcing strict compliance with any conditions imposed on any permit(s) issued based upon the proposed alternative(s) or modification(s) shall not be deemed to be a waiver and shall not stop or bar the City from enforcing compliance with any conditions, including the City’s right to issue, cease and desist orders and/or to seek immediate relief, as appropriate.
