

Lunch with the Birds

September - December 2018

Join Jackson Bottom staff and volunteers for Lunch with the Birds! Every Wednesday, September through December, from Noon to 1 pm. Location varies, featuring a different City of Hillsboro Park or natural area each month. For bird watchers of all levels and ages.

Come and learn identification tips and natural history facts of our local wildlife. Bring binoculars and a field guide if you have them, loaner binoculars are available if you don't. We meet rain or shine and spend our time outside! Some parks have shelter from the rain but be prepared for the weather. Free. No pre-registration required.
