

Art to be reproduced on Elevator Doors of the Civic Center, Hillsboro, Oregon

The City of Hillsboro wants to create a welcoming entry to City services. Vibrant artwork on the doors of the elevators of the Civic Center will showcase the City's creative spirit and welcome its diverse community. The central elevators are at the active core of City Hall, with thousands of people coming and going. Waiting at the elevators, people have the time to enjoy the artwork.

Two artists will be selected to create artwork for a set of three elevators. The artwork can be in any medium that can be reproduced as a vinyl wrap on the elevator doors. The commission to the artist is \$2,500, inclusive of all costs to design the artwork. Reproduction costs will be paid by the City. All artists in Oregon and SW Washington are welcome to apply.

SELECTION PROCESS

Artists should submit up to 8 images of past artwork. After the artists are chosen, they will be asked to create work specifically for the elevator doors. The artists will be given the proportions and layout of the doors, and their artwork will be reproduced to fit the doors.

BUDGET

Selected artists will receive a fee of \$2,500 to create the design.
