4. Select **Next** for **General Liability Coverage Options** page:

- a) Option to select Yes or No for General Liability Coverage. The City requires General Liability Coverage. Select Yes and you will have the following options:
  - i) Alcohol Coverage:
    - *Host Liquor* is the default and included on the policy at no additional cost. *Host Liquor* means alcohol is being given away or guests are serving themselves. IF your event is alcohol free, you may want to leave Host Liquor on the policy because there is no additional cost and if an expected guest spike someone’s drink, there will be coverage.
    - *Retail Liquor* is when you are selling alcohol or professional serving alcohol. Besides getting insurance coverage, you will need to contact OLCC for a Special Event License.
  - ii) Select Coverage Limits: City of Hillsboro **requires** \$1M Occurrence/\$2M Aggregate. You can elect higher coverage if you want/need it (not required by the City).
- b) Waiver of Subrogation: **Not required by the City**. Additional coverage option.
- c) Hired & Non-Owned Auto Coverage: **Not required by the City**. Additional coverage option.
- d) General Liability Cost will appear automatically. Click *Show cost breakdown* for details.
- e) General Liability Limits will show the specific coverages and limits you have selected.
